Recipient

FACILITY MANAGER

Are budget constraints putting a damper on your facility goals?

Underwriter

ADVERTISER

Looking for a new way to reach your target audience and reinforce your brand?

Together . . . we can make it happen.

Our experienced team integrates resource procurement, manufacturing and product development, with installation management and maintenance programs – Championship can provide an all-in-one value-added system we call “Total Project Management.”

- Value engineering to fit any budget
- Corporate product line
- Product knowledge
- Installation techniques
- Safety and ergonomics
- Cutting-edge-technology
- Value engineering
- Management “know-how”
- Environmental and zero-waste capabilities
- Financial wherewithal

Winning products & services

The Championship Branding Partnership Program can help you achieve your facility goals AND come in on budget. Whether you need help covering operating costs, are in the process of new facility construction or upgrading/retrofitting your current facility – A Branding Partnership Program can help bridge the gap between your budget and your goals.

- Safer surfaces that look better
- Fullfill facility needs
- Lower cost of operation
- Lower costs of maintenance
- Best price/value of new building component
- Retrofitting/upgrading facilities

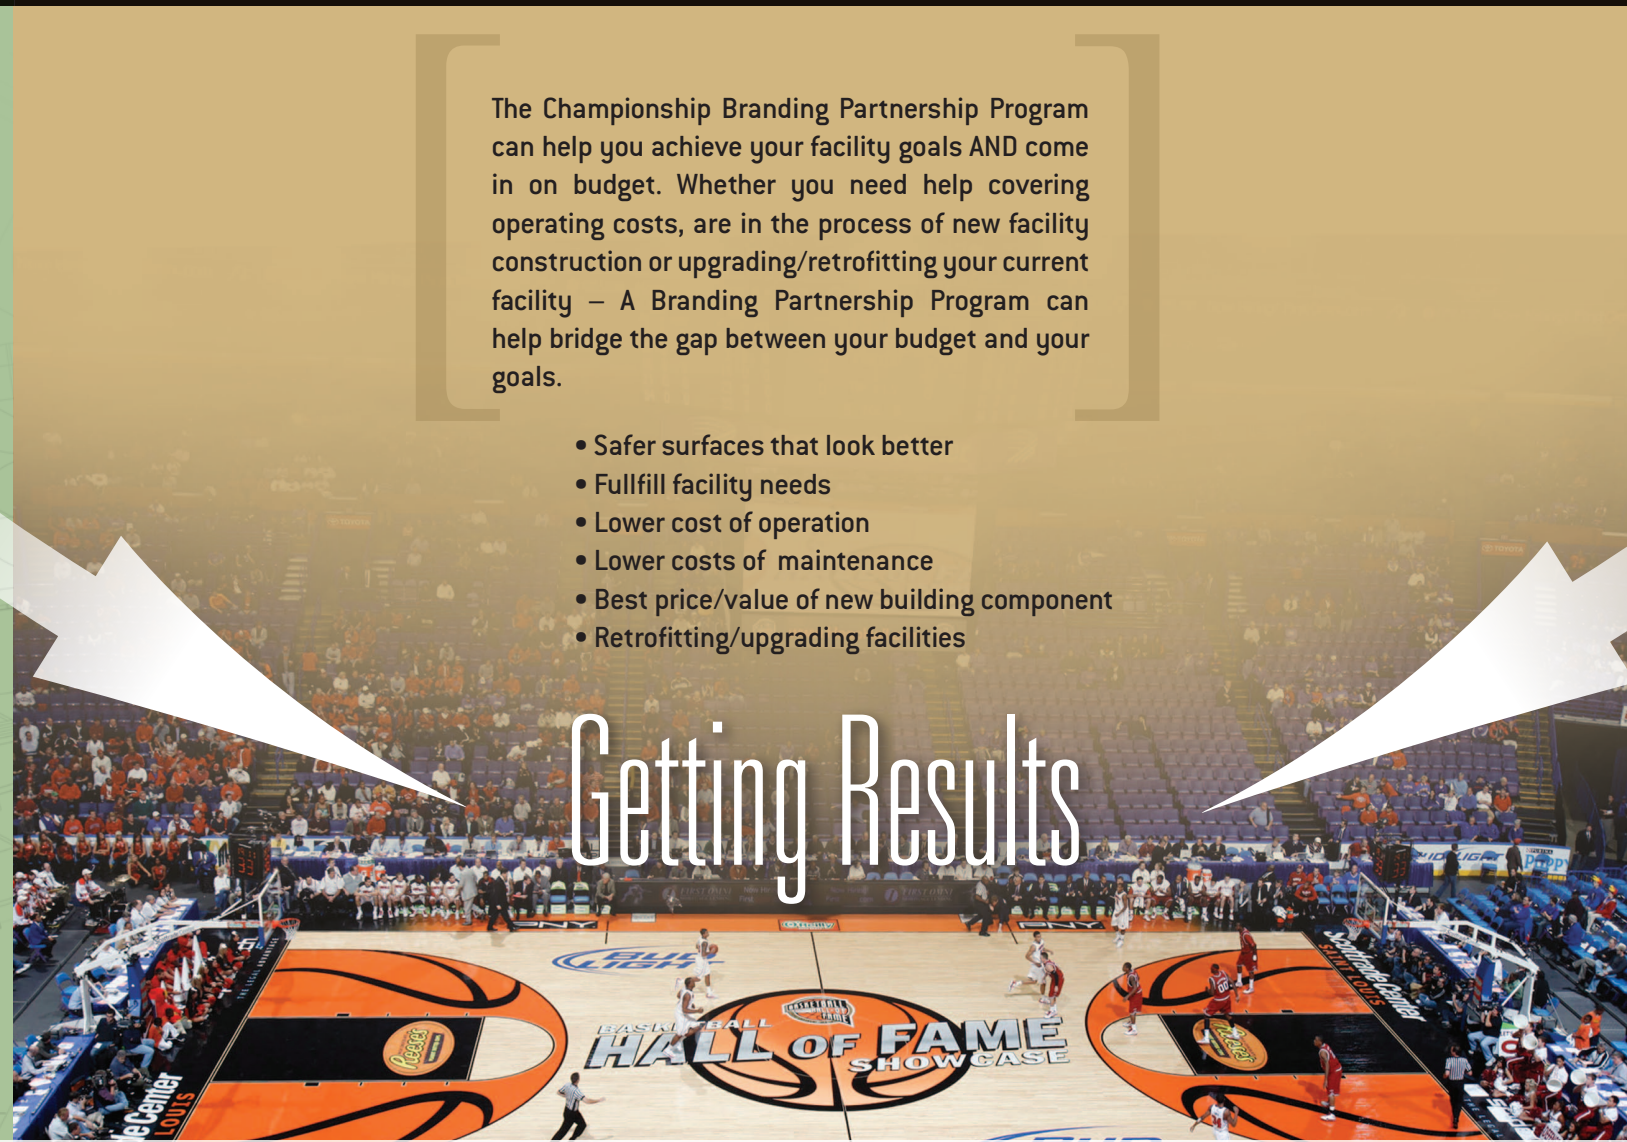

Getting Results

Getting it paid for

The Championship Branding Partnership Program can offer unique marketing opportunities you may not have previously considered in your attempts to expand your brand – while at the same time helping your community.

- Reach your target audience
- Long-term commitment/great value
- National recognition
- Added benefit of helping your community
- Associated with high-quality, well respected national/international charities
